Syed Mansoor Ali

Software Engineer

Full Stack Developer with experience in all fields of web development from designing and building Service APIs, User Interfaces, and deploying the application to cloud platforms.

WORK EXPERIENCE

Full Stack Developer & Lead Instructor The Hacking School

01/2020 - 01/2022

Hyderabad, India

Achievements/Tasks

- Worked as Full Stack Developer, shouldered the responsibility of design, upkeep, enhancement & development of new and existing products.
- Developed UI using React JS, Typescript, and Redux Js. Implemented unit and Integration testing using Jest and React Testing Library. Implemented end-to-end testing using Cypress.
- Worked on building edutech products @code.in.
- Trained software development teams in deploying full-stack JavaScript apps, Node.js, Express, React, MongoDB, web performance, product development.
- Led classroom delivery and curriculum development efforts within team of instructors. Developed curricular solutions that match needs of Enterprise clients.

PROJECTS

x.code.in - Learning Management System.

- E-Learning Platform which has a workspace and marketplace. Worked on developing parts of the UI and creating relevant endpoints in the backend.
- Technologies: ReactJS, ReduxJS, NodeJS, MongoDB, Express JS.

compiler.code.in - Online IDE and Compiler

- Online IDE and Compiler which lets you compile & run your code. Programming Languages supported: C, C++, Javascript, Python etc. Solely responsible for developing the UI. Implemented logic in the backend to avoid memory leaks.
- Technologies: ReactJS, NodeJS, MongoDB, Express JS.

email.code.in - Email Market Place

- Email marketplace for emails ending with @code.in. Solely responsible for designing and developing the full stack application.
- Technologies: ReactJS, ReduxJS, NodeJS, MongoDB, Express JS.

studio.code.in - Live Coding Performances

- For live Coding interviews, Pair Programming, Code-along sessions. Worked on the Editor used for pair programming.
- Technologies: ReactJS, NodeJS, MongoDB, Express JS.

learntocode.in - Quiz based Learning platform

- A free for all quiz based learning platform for learning programming. Solely responsible for designing and developing the full stack application.
- Technologies: ReactJS, ReduxJS, NodeJS, MongoDB, Express JS.

EDUCATION

Bachelor of Engineering (EIE) MJCET

2015 - 2019

Hyderabad, India
